## Uniform Policy

## HCC Uniform Policy

At Heatherton Christian College, we like to see students taking care and pride in their appearance. We anticipate that all students will diligently attend to their personal grooming and that uniforms are clean and in good condition worn in the manner intended. We have set down some guidelines that need to be adhered to, to ensure a high standard is met. We do, however understand that sometimes a situation may arise that will require special consideration. In this case you will need to consult with the appropriate Head of School to discuss your needs.

Whilst appearance is important, at Heatherton it is acknowledged that God judges the heart, not the outward appearance. Students should be distinctive in the community by their displayed Christlike attitude and behaviour, and not by an extraordinary standard of dress.

Students are required to conform to this policy at all times. Breaches of policy shall initially incur a warning. Ongoing breaches of policy without a letter of explanation shall result in appropriate corrective and/or disciplinary action.
